"Section 2. In conducting a fiduciary analysis on an economic development project considered for funding under section 1 of this act, the state treasurer shall perform an economic and fiscal analysis regarding consequential state and local impacts. The analysis shall identify any induced revenues and induced costs associated with a project under consideration for each year for the ten (10) years following completion of the project. A local cost analysis shall consider impacts on public education, public safety, fire protection, public utilities and the courts. Any analysis required by this section shall be conducted by an entity qualified to provide the analysis using nationally accepted econometric modeling techniques. Any analysis required by this section shall be paid for using funds appropriated by this act."
